MUNICIPAL ATTORNEY: Mr. Anthony stated interviews were held for the part-time public works position. Michael Parson was recommended for the position at a salary of \$15 an hour. He stated Bill White from Maser was present this evening. As far as snow plowing Mr. White stated there were no surveys for the property lines and surveys would have to be provided by the owners to be for sure.

Robin Kane 84 Belshaw questioned what was the Township's responsibility as far as snow plowing.

Mr. Osis stated buses could not get through because they've gotten bigger over time.

Mrs. Kane stated the Township has set a precedence of plowing road for 40 years.

Mr. Anthony stated if the Prosecutors office found out the Township Committee allowed it they would get in trouble.

Mrs. Kane sated how far are they from being paved.

Mr. White stated they needed the survey.

Mr. Anthony asked if they were to get the survey, would the whole Township have to be done.

Mr. White confirmed that the whole Township would have to be done.

Mr. Anthony stated they would have to see how much it would cost the Township and would also look into parallel parking.

Mr. Wall stated if they were to do plowing on Barker Avenue they will need a resolution stating the Township is not responsible if the fence is damaged.

Mr. Anthony informed him to do just general plowing of parallel parks. He stated there would not be any vertical plowing.

Bill Spengeman stated he used to live on a county road and this is one of the toughest places to plow. He stated he had no place to put his snow, whereas in the county they do.

Bill White stated the water system and break lines are 80 years old and it is weakening. He stated it also services AVMA. It's a small water system defined by DEP and we have an operator to legitimize it. It would cost \$1.8 million to replace the entire system. A bond to fix it would be outrageous. He stated it would be better for NJAWC to take over it. He stated a new act came out which allows you to declare it an emergent condition but a number of steps would have to be taken. He stated the process would take 12-15 months. He stated it would take approximately \$50,000 to finance it.
